and stating his opinion that the Matter requires serious Consideration 345 - Resolution thereon 361 - His Minute - Submitting an extract of a Letter from Colonel Campbell at Trichinopoly stating that twelve more Vellore Deserters have been dispatched to the Presidency - Notices also the prospect of great scarcity in that Garrison from the failure of the Crops in the vicinity 458 - Resolutions thereon 460 - February - His Minute - Reports his having stated to Major Hazelwood the necessity of his immediate attendance at the Presidency and submits the Majors reply, together with a Deposition made on a Havildar of 1st Battalion 24th Regiment 550 - His Minute - lamenting that under the necessity which he feels of answering the Minute of the President,

he

Military Servants and Corps The Honorable Company's continued

Cradock - Lieutenant General Sir J. F. Commander in Chief continued -

he has not, from the impending departure of the dispatch, sufficient time to give to so important a subject. It seems to be inferred from the alleged necessity of a Police that the Natives are under a suspicion which did not formerly attach to them - The Commander in Chief expresses generally his opinion that the adoption of the Civil institutions of Great Britain are not calculated to suit the Customs and prejudices of India and recommends greater consideration for the Military Establishment which he thinks will eventually be necessary to oppose the Military Character of the French Nation

628 - March - From his Military Secretary - transmitting proceedings of a General Court Martial which

Fort St. George 20 Decr. 178

To Captain Paterson
Commanding at Chingleput

Sir

A complaint has been made to me by ~~a [illegible]~~ the Gomastah of Vencat Soobaya that he is not permitted to enjoy the produce of some Manium Lands in the village of Atoor near Chingleput, agreeable to the resolution of Government to give up their share for the present, with the view to encourage the inhabitants to cultivate.

You will be pleased to take notice that until that regulation shall be altered, the inhabitants are to enjoy the whole produce of their lands, & that nothing is to be taken from them without an equivalent —

I am
